

## Social Media Disclaimer

This disclaimer applies to all official profiles of Triland Metals Limited (“**Triland**”, “**we**”, “**us**” and “**our**”) across all social media networks which we may create and maintain from time to time and to any Content (as defined below) which we may from time to time post on such accounts. The access to and use of any such social media networks is solely at your own risk. Triland is not responsible for any social media networks’ policies, including, but not limited to, privacy and security policies and/or any terms of use. You are strongly encouraged to review the relevant social media network’s policies before you use any such network. We do not endorse any services and/or products of any social media network on which we have an official profile and no social media messages, engagements and the users followed by us shall constitute any sort of endorsement. Any opinions expressed by any individual posting on any of the official social media profiles of Triland may not reflect or otherwise represent those of Triland or the wider Mitsubishi Corporation group, regardless of whether or not those individuals are connected to Triland.

We may, from time to time, post information, articles and reports written by us (“**Triland Material**”) and/or share information, articles and reports written by third-parties and/or provide one or more links to content on third-party websites (“**Third-Party Material**”) in the course of our business (Triland Material and Third-Party Material together, “**Content**”). Please note that any links to third-party websites are not supported by Triland and we shall not be responsible for any material you may find on such websites, nor shall we be liable for any losses or damages of any kind that may arise from your use of any such links or materials. No posting of Third-Party Material by Triland shall constitute an endorsement of any nature whatsoever of the third-party organisation that produced the material or the activity on the third-party website. Third-Party Material is made available without responsibility on the part of Triland, and Triland neither assumes nor accepts any responsibility or liability (including for negligence) and makes no representation or warranty, express or implied, in relation thereto. Triland does not guarantee the accuracy of any Third-Party Material shared by us and the sharing of such Third-Party Material does not mean that Triland in any way agrees with or otherwise supports a point of view expressed in such Third-Party Material or endorses any product or service provided by the producer of such Third-Party Material.

Any research report posted by us must be read in conjunction with any disclaimer which forms part of it. Your attention is drawn to the date of issue of the report. Any opinions therein are those of the Triland representative(s) who prepared such report and are subject to change without notice and Triland is not under any obligation to update or keep current the information contained herein.

Triland only provides investment services and activities to persons who qualify as: (a) “professional clients” or “eligible counterparties” (as such terms are defined in the relevant rules of the United Kingdom Financial Conduct Authority from time to time); and (b)(i) where the person is located in the United States of America, “eligible contract participants” within the meaning of the Commodity Exchange Act (as amended by the Commodity Futures Modernization Act of 2000); or (ii) where the person is located in the Republic of Singapore, “accredited investors”, “expert investors” or “institutional investors” (as such terms are defined in the Securities and Futures Act (Chapter 289) of Singapore), and to whom it would otherwise be lawful to provide such services and activities under applicable laws and regulations (persons who satisfy the foregoing criteria, “**Relevant Persons**”). Any investment service or investment activities described or referred to in any Content posted and/or shared by us on any of our official profiles may or may not be available from Triland and where they are so available, they are only available to Relevant Persons provided that they have satisfied Triland’s client onboarding criteria in full.

The Content does not take into account or in any way consider particular investment objectives, risk appetites, financial situations or needs of any specific clients of Triland or otherwise. Triland does not give any representation or warranty, whether express or implied, as to the accuracy, completeness or fitness for any purpose or use of any of the Content. Triland Material has been prepared on the basis of publicly available information, internally developed data and other sources believed to be reliable and is provided on an “as is” or “as available” basis. Any Content posted by Triland may be subject to change and Triland assumes no responsibility to update or amend any such Content.

All Content posted and/or shared by us on any of our official profiles is for general information only, does not address the circumstances of any particular individual or entity and does not constitute investment advice or an offer to, solicitation for, invitation or suggestion to the purchase of or otherwise deal in any security, financial instrument, product, strategy or service whether offered by Triland or otherwise. Recipients of Content should make their own trading or investment decisions based upon their own independent skill, judgment, financial objectives and financial resources. In no instance should any Content be relied upon as investment advice, guidance or an invitation or recommendation to purchase, hold or sell any investment or strategy. Triland does not provide any financial, tax or legal advice. Triland will not accept any orders via any social media networks.

Triland accepts no liability whatsoever for any direct, indirect or consequential loss or damage arising out of the use of any of the Content.

This disclaimer has been prepared and approved by Triland Metals Limited, a private limited company incorporated under the laws of England and Wales (company number: 01011637) with a registered address at MidCity Place, 71 High Holborn, London, WC1V 6BA. Triland Metals Limited is authorised and regulated by the United Kingdom Financial Conduct Authority (firm reference number: 141157).
