

Email and Instant Messaging Disclaimer

Please read the following carefully as it contains the terms and conditions governing any electronic communications between you and Triland. By engaging in electronic communications with Triland you agree to the terms and conditions herein.

The term “electronic communication” when used in this disclaimer shall include instant messages, e-mail and other equivalent means of electronic communication, including any attachments to any of the foregoing. References to “Triland”, “we” or “us” are references to Triland Metals Limited and each subsidiary of Triland Metals Limited. An electronic communication may relate to or be sent from or to Triland Metals Limited or any such subsidiary. Subsidiaries of Triland Metals Limited include Triland Metals Americas Inc., of 655 Third Avenue, New York, NY 10017, United States of America, Triland Metals Singapore Pte. Ltd. of 3 Temasek Avenue, #32-01 Centennial Tower, Singapore 039190 and Triland Metals Tokyo Ltd. of 3-1 Marunouchi 2-Chome, Chiyoda-Ku, Tokyo 100-8086, Japan.

Unless specifically stated in the electronic communication or otherwise indicated, you may not duplicate, redistribute or forward any electronic communication received from us or any portion thereof, including any attachments, by any means to any other person.

Triland may amend these terms and conditions at any time without notice. You should check this webpage from time to time to review the current terms and conditions because they are binding on you.

Electronic communications from Triland are only intended for persons who are “professional clients” or “eligible counterparties” (as such terms are defined in the rules of the Financial Conduct Authority) and are not intended for retail customers. Electronic communications are not intended for any person or entity in the Republic of Singapore that is not an “accredited investor”, an “expert investor” or an “institutional investor” (as such terms are defined in the Securities and Futures Act (Chapter 289 of Singapore). Electronic communications are not intended for any person or entity in the United States of America that is not an “eligible contract participant” within the meaning of the Commodity Exchange Act (as amended by the Commodity Futures Modernization Act of 2000).

Electronic communications may contain privileged or confidential information, or may otherwise be protected by work product immunity or other legal rules. No confidentiality or privilege is waived or lost by any mis-transmission. Access, copying or re-use of information by non-intended or non-authorized recipients is prohibited. If you are not an intended recipient of an electronic communication, please notify the sender, delete it and do not read, act upon, print, disclose, copy, retain or redistribute any portion of such electronic communication. Electronic communications are not intended for distribution to, or use by, any person or entity in any location where such distribution or use would be contrary to law or regulation, or which would subject Triland to any registration requirement within such location. Triland does not waive any intellectual property rights it may have in any electronic communication.

Triland cannot provide any assurances that electronic communications (sent or received) are secure, error free, not corrupted, incomplete or virus free and/or that they won't be lost, mis-delivered, destroyed, delayed, or intercepted/decrypted by others. Therefore, Triland advises against sending sensitive or personally identifiable information via electronic communications and disclaims any and all liability with regard to electronic communications (and the contents therein) if they are corrupted, lost, destroyed, delayed, incomplete, mis-delivered, intercepted, decrypted or otherwise misappropriated by others.

Information in an electronic communication is subject to change without notice and unless otherwise indicated, the views expressed are the author's and may differ from those of others within Triland and/or the official view of Triland. The information represents a view as of the date of the electronic communication and is subject to change and/or withdrawal at any time without notice. Triland makes no representation or warranty whatsoever in respect of information contained in an electronic communication. All representations and warranties are expressly disclaimed.

Any electronic communication between you and Triland will be subject to being archived, monitored and/or disclosed to persons other than the addressee and may be produced to regulators and in litigation in accordance with Triland's policy and local laws, rules and regulations. Unless expressly prohibited by local law, electronic communications may be archived in countries other than the country in which you are located, and may be treated in accordance with the laws and regulations of the country of each individual included in the entire message chain.

The information in an electronic communication is not intended to replace a recipient's own internal business processes for evaluating proposed transactions. Recipients should seek financial advice regarding the appropriateness of investing in any product or instrument referred to in an electronic communication and should understand that statements regarding future prospects of the products or instruments included in them may not be realised. There can be no assurance that the instrument or products or services mentioned in an electronic communication could be sold or bought at such prices from Triland or another party or market participants. Past performance is not necessarily a guide to future performance. Fluctuations in price and other factors may adversely affect the value, price or income of any product, instrument or investment.

The information in an electronic communication is intended for the personal use of the recipient and does not constitute an offer, a recommendation or a solicitation to enter into, or otherwise purchase or sell, any transaction or security, or to participate in any particular trading strategy, unless expressly stated otherwise in such electronic communication. Triland is not an advisor and will not provide any advice relating to a product or instrument. Before making an investment decision, investors should ensure they have sufficient information to ascertain the legal, financial, tax and regulatory consequences of an investment to enable them to make an informed investment decision.
